THE SECRETARY OF THE INTERIOR  
WASHINGTON

19 January 1962

Dear Mr. McCone:

The National Conference of Christians and Jews has set the week of February 18 through 25 for the celebration of Brotherhood Week, and has asked that I serve as Brotherhood Chairman for the Washington area.

Those of us who are members of the new Administration have our first opportunity this year to fully participate in the observance of this special week. Indicative of the special interest of the Administration in this observance is the President's acceptance of the honorary chairmanship. We are being given the opportunity to show our whole-hearted interest in developing that understanding which serves as a foundation for cooperation benefiting all citizens. We know that the success of our society depends upon the most efficient use of human skills and resources and we are actively seeking to encourage acceptance of each individual on his or her own capacity and qualifications. These goals we have for 52 weeks each year -- in Brotherhood Week we seek only to re-pledge ourselves to these goals.

I feel sure that many agencies of Government already are at work on special plans for the observance of Brotherhood Week. To better attain our goals I am calling a meeting of Department and Agency Heads, or their representatives, in the Secretary's Conference Room (Room 5160) of this Department on January 29 at 10:30 a.m. Your cooperation in making this brief planning meeting a success will be greatly appreciated.

Sincerely,

Stewart L. Udall  
Secretary of the Interior
